The Two Scouter rule is an integral part of the Code of Conduct that applies to all Scouts Canada Volunteers.

THE CHALLENGE:

Each Colony that attends will provide and execute one activity station (15 minute activity) that visits one area on 'The Pond Map'. We also challenge the Colonies to have their activity cover Outdoor Adventure Skills as well. Did you know that Beavers turns 50 years old this year? We challenge you to incorporate the number 50 in your activity to celebrate! Will you accept this challenge??!! On registration, you will be asked to provide 3 activities ideas. Once all the registrations have been received, we will contact the registrants to notify them of the activity that they will be doing (this will allow a more well rounded program) and **request a risk assessment for their activity.**
